

Someone's *life* depends on *YOU*.

YOU can organize a blood drive at your high school!

Here's what you need...

1. Timeline for organizing a blood drive
2. What to review in your Recruitment Committee meeting
3. How to recruit blood donors
4. Brochures about donating blood
5. Double your reasons to give blood
6. Donor sign-up sheets
7. Video
8. How to design a blood drive poster
9. Posters to promote the blood drive
10. Fact sheet about iron in blood
11. Sources for articles in your school newsletter
12. Appointment cards
13. Permission slips. Written parental consent is required for 16-year-olds to donate blood.
